## All Play And No Work...

I rolled over in bed, awakening from a horny dream, and reached across to stroke my husband's morning wood.

He was gone already though and I remembered he had an early morning meeting with his crew.

I was determined I wasn't going through the rest of the day without getting my pussy rammed by his big hard cock.

I waited till lunch time and then headed over to

won't mind, especially when you tell them when you're through they can all have their way with me. I want to fuck and suck the lot of them!"

He got so hard when I told him this that he lay me down on the table and blew his load inside me in about 20 seconds, giving me one of the creamiest pies I've ever had.

I stuck my finger in my pussy and swirled it round then licked it.

I lay there on the table and as I let my eyes roll to the side I saw one of his co-workers with his

manhood out ready.

I beckoned him over and told him to stick his cock in me and fuck me like his wife wouldn't let him.

He came almost instantly and soon all the others were stroking their cocks and ready to fuck me.

I asked one for a cock-sucking and did him like I was sucking a golf ball

through a garden hose.

Soon I was sucking and fucking all of them, taking two cocks at once in my mouth, pussy and one in my arse.

One of them wanted to cum on my face, and one wanted to splurge all over my big tits. It was the largest simultaneous cum session ever.

It was getting hot in there

and we went well past lunch break. They could not get enough of me and I couldn't get enough of them either!

They were slamming their big rods into my tight pussy and once in a while I had one in my cum-filled cunt and arse at the same time.

After they had all had their way with me I sucked and licked all the cum off their balls and cocks.

I thought they had better get back to work after that so my husband helped me off the table because I could hardly walk, I was so fucked!

Of course now

my husband's workmates keep asking when I'm going in again. It won't be long!

Georgia, Bromley.

his work in nothing but a long overcoat, heels and stockings.

My ripe snatch was oozing cream down my leg by the time I got there.

I walked straight up to him and told him to fuck me then and there, in front of all his crew – about 20 of them.

"I'm not sure I can do that, honey," he said.

I said, "Yes, you can, they

# BROOKIE

**"What do you think of my shoes?" asked Brookie just as we were getting down to the nitty-gritty in this shoot. To be honest, what with her face, boobs, bum and pussy all vying for our attention, we hadn't really noticed her footwear, but in the interests of politeness we said we thought they were lovely. But why was she asking?**

**"They're my pulling shoes – whenever I wear these on a night out I never fail to pull a hunky fella!"**

**That's nice to know, although we don't reckon the shoes can take the credit!**

### Titty Limits!

Like big tits? Well there's a silly question for starters – and given that you do like 'em, how do you fancy watching 5 girls with massive melons getting fucked silly? First up is Amy Anderssen, a raven-haired hottie who boasts a mammoth pair of falsies that are almost as big as her head and about alarmingly when she's taking a reverse cowgirl poking from her

fella. Katarina's got a natural pair, though, which don't defy gravity so much but still look a treat before her stud treats her to a creampie finish. Bridgette B's straight out of the top drawer, too, as is poledancing Patty. MILFy Stephanie, meanwhile closes out in a curvier style. Available from your local sex shop.

### SECRET SERVICED!

We're always up for a silly spy caper, especially if it features a) loads of shagging and b) that shagging involves a couple of top not British knob-jockeys in Brooklyn Blue and Rebecca Moore. Things kick off in typical espionage mode, with a motorbike chase and a bit of a shootout before undercover agent (can you be undercover in a black dickie bow?) Billy gets rescued by Brooklyn, and to celebrate they swig a martini and celebrate in style.

Brooklyn makes the most of slurping on his pole before he returns the favour on her meaty flange and then, well, the Double O-Heaven really begins, with the pop finally ending up on her fulsome boobs. It turns out she interrogates prisoners in much the same way, as does Rebecca in turn! Available from you local sex shop.

I dare say that for a lot of your readers the thought of their wife discovering their stash of mags is the last thing they ant to happen – it was for me – but things couldn't have turned out more differently when my missus unearthed mine last year. I thought I'd be for the high-jump, but it turned out she was just as keen on flicking through the mags, admiring your models and reading the filthy tales as I was! Now, when

**Poppin' Cherry!**

I've got home from the shop with the latest copy we like to look through it together with Gill's hand on my crotch, gauging how much my cock swells with each girl and trying to guess who I fancy the most. If she gets it right my 'punishment' is to go down on her before fucking her with my stiff pole, but if she's wrong then she has to go down on me before letting me do her in the arse. It's an arrangement that suits both of us just fine, although I have to say she's getting better and better at guessing my favourites! She certainly had no trouble this month, given how much my cock swelled as I looked at the pictures of Cherry's bathtime antics! I'll have to try harder (or not harder!) this month to disguise my lust!

Frank, Hastings.

**Julia says:** That sounds like a great game – although I'm not surprised your wife loves the mag, too. We've had plenty of letters from couples who enjoy reading it together, although not many of them have come up with a better way of doing it!

## DEAR JULIA

I've got a complaint about your last issue. If I wanted to be bombarded with Brexit then I'd watch the news – what I want from Escort is loads of sexy women and no mention of Brexit at all! Still, whatever your thoughts on the matter, I can't deny that Samantha and Faye would get my vote!

Geoff, Boston.

**Julia says:** Sorry about that, Geoff – and I think we might have mentioned it again this issue!

**Bum deal!**

It's very important to make sure you get plenty of daylight, you know – it helps with your mood and sleep patterns, and on top of that, there's a chance you might just run into some alfresco fuckers when you're out and about. The tarts in this flick are certainly in no danger on missing out on any vitamin D, and they're making sure they get plenty of vitamin J(izz) as well, from the looks of things. Available from your local sex shop.

As often as not, when a porn starlet is asked what her favourite toy is, she'll say a magic wand – one of the super-powerful vibes that work wonders on a throbbing clit, but isn't much use for fellas. Well over at Lovehoney they've come up with

an adaptor which means it's now the perfect thing for him as well as her – a ridged attachment that fits over the business end of the wand and which lets you slip your old chap in for some vibetastic action. Each side has a different texture, so turning it round doubles the fun!

Once the weather's started perking up a bit (so late February, these days), you can't beat a nice stroll in the country to blow the cobwebs away – especially if it's with one of the horniest women in the business, the ever-randy Kira Queen! For most walks the highlights would be spotting a couple of magpies or maybe a crested grebe if you're lucky, but with Kira you'd be sure of much more memorable afternoon thanks to her habit of taking off her clothes and satisfying herself with a handy vibrator she brought along specially!

# REAL WIFE SEX

*Leanne's getting into the swing of things!*

**"I got there first, my cunt bursting with pleasure as I came much harder than I had for a long time."**

In, but we both still had that kind of idea in our minds until we actually got in there. We mingled for a bit – it was a very relaxed atmosphere, and everybody we met seemed really nice. The party hosts even spent a little time with us, and made sure we got talking to people.

We took a look around the various areas of the party – it was so sexy seeing people at all stages of sexual activity. Some were partially clothed and groping, just getting going. Before too long some were actually full-on

A few months ago my husband, Dave, suggested that we try swinging. It was right out of the blue – we had a good sex life, so I don't know where he got the idea. To be honest, I was a little appalled at the idea. I asked him what he was thinking and he showed me a few websites he'd been looking at and an issue of a contact mag he'd bought. I must admit, reading the letters and looking at the ads on the net turned me on a bit – we had a great shag that night! Then he suggested that, if I wasn't into actually fucking anyone else, perhaps we could just 'soft' swing, where we'd shag in front of other couples. I was a bit scared about the whole thing, but also turned on by the idea, so I tentatively agreed.

We talked about it some more over the next few days, and found a regular swinging party, that was held quite locally in a fetish club. We decided that the next time it was held, we'd go and check out it out. We phoned the organisers beforehand, to see what the dress code was, and what the rules for such an event were. And we double-checked that soft swinging would be OK – we didn't want to end up in a position where we upset anyone or we were put under pressure to do anything more than we were comfortable with. We set ourselves very strict rules: we had to stay together, we could look at other people but not touch, and we wouldn't actually do anything in front of anyone else unless we both agreed. And if we decided we did want to go any further with other people, we had

to have a chat first and check we were both on the same page.

The evening came round, and I got dressed up as sexily as possible in my black leather thigh-high boots, mini-skirt and low-cut top. We arrived at the party, and went straight to the bar to grab a much-needed drink. I think we were both surprised at how normal it all seemed! Of course we'd read that it wouldn't be some wild orgy as soon as you walked

away that he was actually shunting me along the rugs on the floor, and I found myself only a foot or so away from Julie. I looked up directly into the other woman's eyes, and I could see that she was loving every second of it. She leaned a bit further forward and planted a long kiss on my lips. I'd never been kissed by a woman before, and it felt amazing! Her lips were so soft, but hungry at the same time – her tongue pushing into my mouth, fucking it with a rhythm as she was pummelled hard from behind. She reached a hand out and caressed my boob, and my breath caught in my throat. It was all too much, my breath came in sharp pants, and as I pulled away and looked at Julie, I realised that like me, she was coming.

I got there first though, my cunt bursting with pleasure as I came much harder than I had for a long time. I think that set her off, because she came noisily seconds later. Mick was the first to spill his seed, shooting streams of his sticky mess all over her arse. I encouraged Dave to do the same and was not disappointed when I felt the warm jets of his spunk on my bum, and up my back.

Since then, we've been to a couple more parties – we're getting a bit more adventurous every time. I haven't taken another man's cock yet, but Dave's made it very clear that as soon as I'm ready, he's well up for it. I can't see that it'll be too long! I've also discovered the exhibitionist in myself. We've fucked in the park, where we've made sure we've been caught by passers by, and are now discovering how great dogging is, as we can drive out and put on a show any evening we like! The thought of getting fucked by a stranger over the car bonnet is starting to appeal to me more and more!

fucking. In one room, a man was on his back on a bed, with one woman sitting on his face and another bouncing up and down on his cock, while another bloke sat and watched all the action, wanking away happily!

We got talking to a couple a bit younger than us, Mick and Julie, and we told them about our rules. They suggested that if we were up for it, the four of us could go to one of the more private rooms – one where no voyeurs would be allowed. The said they would meet us in there in a few minutes so we could talk it over between ourselves, and disappeared together.

It was a much quicker decision than we would have thought! We were both so turned-on by all the new erotic sights and smells, that neither Dave nor I hesitated at all. The thought of the other couple watching us fuck while they fucked, was actually making my cunt ache! Dave asked how I'd feel coupling off after a while, and sampling another man's cock. He said at that moment, he'd be quite happy having a foursome! I surprised myself by immediately agreeing – I was more horny than I'd ever been and my pussy was so wet that I suddenly relished the thought of having an experience with another couple.

When we found the private room, Mick and Julie were already naked, and she was sucking his cock. We stripped off quickly, all our shyness forgotten. I

watched them as I did likewise, taking my man's cock into my mouth and I beginning to suck and lick his length. My husband's dick was rock hard, so I could tell he was really turned-on, watching that other couple, mirroring what they were doing.

Julie got down on all fours facing the centre of the room, and after sliding his cock along her slit a couple of times, Mick rammed his meat into her with one smooth thrust, making her yelp with delight. I mimicked her, getting into a doggy position directly facing her, although a few feet away, and felt Dave's big cock delve deep into me. Both men began pumping in and out of us, banging away. Dave got so carried

I found my husband's copy of Escort under the bed and found myself extremely turned-on as I started reading it.

As I poured over the confessions and letters I found my knickers getting damper and I ended up wanking and cumming all

should never hide his copy as I liked to get off on it, so he asked me to pose for him so that he could send photos of me into your Show Us Yours section. I soon received a letter from a very sexy female reader who wanted to meet.

We met on the pretence of getting to know one another

and test the water but the vibe between us was electric and within a short time I was up to my fingers in fluff.

Donna was very tactile and told me to relax on her sofa. She instructed me to close my eyes and although I was conscious my skirt was riding up exposing my knickers I did

so.

Donna stroked my legs, higher and higher, till she was at my pussy. With my heart racing, I opened me legs to let Donna touch where no woman ever had before.

I was aching to be let out of my tight soaking knickers.

Then I felt Donna's hot breath on my cunt and she kissed my pussy through my knickers.

She pulled them to one side and her hot little tongue entered me. My husband can lick snatch but Donna knew exactly what she was doing!

Within seconds I felt my first orgasm bubbling up inside me, Donna pounding me with her tongue as it ripped through me.

I must have passed out because the next thing I

remember is opening my eyes to see Donna's neatly shaven pussy a few inches away from my face. I didn't need telling what to do and for the first time in my life I was tasting sweet sticky cunt.

Apart from the time I'd licked my husband's fingers of course!

Donna lowered herself on to my waiting tongue and I licked her out like there was no tomorrow.

I rolled her clit with my tongue and nibbled her lips till she came all over my cheeks and chin.

I enjoyed my training in the art of lesbian love and the fucking will continue.

When my husband reads this I have some explaining to do. And my pussy will get another pounding!

Molly, Kent.

Well, did we leave the EU or what? We had to get this issue done and dusted by the middle of March, and with two or three weeks to go we still don't have a blinkin' scooby what's going to happen. Anyway, just in case, we thought we'd get Danni to cover both angles here with a nice Union Jack motif but also a 'Shit Happens' flag to cover every eventuality. Still, that's quite enough Brexit nonsense – because the important thing in all this is Danni, who's taking her clothes off and playing with her eager cunny for us!

★ **EXTREME DOMINATION 0982 502 3156** ★

A woman with long dark hair, wearing a black lace bra and black stockings, is posing in front of a window. She is looking towards the camera with a slight smile. To her left is a large vase filled with a bouquet of flowers, including red and yellow daisies. The background shows a window with multiple panes, looking out onto a green landscape. The overall image has a soft, slightly grainy texture.

Last time we hooked up with Tindra Frost she was engaged in some fabulous festive frolics with Satine Spark. They were so frantic they'd have had Santa coming down the chimney in no time! But now she's on her todd, although she's still clearly feeling just as horny as ever...

"Well spring is in the air, isn't it? And that always gets my sap rising. I've already had a couple of sneaky wanks while sunbathing in the nude, although it was a bit on the chilly side, to be honest. Still, that just seems to make my nips even more sensitive than normal!"

# Kaz

**Kaz brought all this gear along to the shoot herself, which suggest to us she's got a rather kinky side...**

**"Too right I have! I love to be in control of a bloke sexually, making sure he does absolutely everything to my total satisfaction before he's allowed to think about his own — and I never go short of willing volunteers! Sometimes I'll only let him suck my toes while he plays with his cock, or other times I'll sit on his face and drip my juices all down his chin. Either way, they love it!"**

## Slappy-Snaps!

I'd arranged for a photographer to take some photos of my wife Meggan in his studio.

She loves me taking photos of her, but I didn't know how she would react to a complete stranger. We'd arranged to meet beforehand but I was held up at work so Meggan arrived on her own.

She walked in very nervously, but the photographer Steve made her feel very at ease. He was a good-looking black guy. By the time I arrived he had Meggan posing almost naked.

She looked very turned on by it all. I was quite surprised but also turned on by watching her perform in front of a total stranger.

Steve asked Meggan if she'd do some naked shots. She looked at me and must have guessed I was enjoying the show. She just turned away, bent over and peeled off her G-string.

I couldn't believe my eyes and my cock was rock-hard.

She lay back on the bed and started playing with her wet pussy.

She told me to pass her handbag and pulled out her black vibrator.

She started sucking it and I could

wait for the horny bitch no longer. I went over to the bed and started to fuck her. I was so turned on by her slutty behaviour in front of Steve.

She was loving it, moving from one position to another while I fucked her like a madman. All the time Steve was clicking away on his camera.

Suddenly she stopped, looked me in the eye and asked if Steve could join in. I was so turned on I just agreed. She couldn't wait to have his black cock in her

mouth.

She licked it up and down, just stopping to suck his balls one at a time.

His cock was so big she couldn't take it all in her mouth.

Watching her suck cock was too much, I just pumped spunk up her pussy. When she felt me cum Meggan begged Steve to cum down her throat.

03 MEGGAN

He erupted, flooding her mouth with cream.

Even though she'd been spunked in at both ends, she was back sucking our cocks within minutes. We went on to fuck her every way possible.

We fucked her arse and cunt at the same time, which she loved, until every hole was well and truly fucked.

Meggan, Yorkshire.
